The likeness—and a good one, too, at that—of Rev. T. P. Degman, crayoned by Miss Mollie Outten of this city, is on exhibition in the show window of Theo. Power. It is an excellent piece of work.

Whilst the Reception Committee would love to admit children, it will be impossible to do so, owing to the immense audience expected at Masonic Temple. No one has been authorized to give tickets to children, and should any be presented they will not be recognized at the door.

In a fight at Berlin, Bracken county, Jasper Sharp shot George McClanahan and his wife, badly wounding the former and instantly killing the latter. The trouble grew out of an alleged intimacy between Sharp and a daughter of McClanahan. McClanahan and his wife were both armed with knives and Sharp is dangerously out in several places.

## MAYSVILLE WEATHER.

What We May Expect For the Next Twenty-four Hours.

THE LEDGER'S WEATHER SIGNALS.

White SUNDAY—FAIR;  
Blue—RAIN or SNOW;  
With Black ABOVE—IT WILL WARMER  
grow.  
If Black's BENEATH—COLDER IT WILL  
be;  
Unless Black's shown—no change  
we'll see.

The above forecasts are made for a  
period of thirty-six hours, ending at 5 o'clock  
to-morrow evening.

Judge C. E. Booe of Flemingsburg is  
happy. It's a nice little boy.

The funeral of Miss Lizzie Sadler yesterday  
afternoon was largely attended.

Peebles's fine old Wine, Whiskies and  
Brandies at Chenoweth's Drugstore.

The oil excitement continues to spread  
in Eastern Kentucky. A company is  
now preparing to bore in Clark county.

The Diocesan Council at Louisville has  
approved the plan for dividing the Epis-  
copal Diocese of Kentucky into two Dioc-  
eses.

Some of the prisoners in the Frank-  
fort Penitentiary have been making  
large numbers of counterfeit twenty-five  
cent pieces.

The Portsmouth Tribune has changed  
its base slightly. It is now the shape  
and size of THE LEDGER, but it isn't half  
as good a paper.

All members of DeKalk Lodge, I. O. O.  
F., are requested to be present at the hall  
tonight at 7:30 to attend the Reception of  
Grand Master W. LaRue Thomas.

"Five years ago I was taken so ill with rheu-  
matism that I was unable to do any work,"  
writes Peter Christensen, Sherwood, Wis. "I  
took three boxes of Ayer's Pills and was en-  
tirely cured. Since that time I always keep  
them in the house." They are easy to take.

The Paris Kentuckian has this to say  
of Rev. T. W. Watts, late Pastor of the  
M. E. Church, South, of this city:  
"Rev. T. W. Watts, the new Pastor for the  
Paris Church, is one of the best in the  
Conference, and married."

### REACHING THE PUBLIC

THE OLD METHOD  
ye Town Crier

THE NEW METHOD  
AN AD  
IN THE  
PUBLIC LEDGER

The fellow Stevenson, who was ar-  
rested some time ago for breaking into  
stores at Dover, and who skipped his  
bond, was arrested and brought back  
here yesterday by Captain E. W. Fitz-  
gerald.

Two men in Glasgow Junction were  
driven into church by an infuriated steer  
the other day. This is thought to be the  
first instance on record in which a  
thoroughbred Kentuckian ever declined  
an invitation to "take a horn."

The surviving members of the Eighth  
Kentucky have organized a reunion as-  
sociation to meet at Irvine next September,  
at which steps will be taken to erect a  
monument to the dead soldiers of Estill  
county. There are about 350 members of  
the regiment still alive.

who have so long reigned as king and  
queen of the crap games in Paducah,  
have been sentenced to one year each in  
the Penitentiary and fined \$500 each in  
addition.

At Ringgold Lodge last night three  
generations were present—Mr. James  
Barbour, Mr. Foster Barbour and Mr.  
James Barbour, Jr., a distinction probably  
that no other Lodge in the state can boast  
of. DeKalb held the proud title a num-  
ber of years—the members being the late  
Mr. Christopher Russell, Colonel M. C.  
Russell and J. Barbour Russell. Mr.  
James Barbour has been a good, con-  
sistent member of the Oddfellows for 50  
years.

day morning.

ANOTHER SUICIDE.  
Frank Lawwill, an Ohioan, Finds  
a "Better" Country.

Frank Lawwill, a widower, residing at  
Stringtown, two miles back of Aberdeen,  
aged 46 years, having five children, com-  
mitted suicide some time last night by the  
laudanum route.

He was in Aberdeen yesterday after-  
noon and afterward came to this city,  
where he purchased the poison.

Going back to Aberdeen, he told several  
of his friends that he was going to  
suicide, and left them for home. They,  
taking him at his word, organized a party  
and started after him. They could not  
find him last night, but this morning  
found him under a straw stack with  
enough laudanum in him to have killed a  
whole regiment.

He had been drinking, and this is  
probably the cause.

The Jail has an elegant delegation—it  
being as full as some of the occupants.

The story has been revived at Coving-  
ton that Congressman A. S. Berry is a  
candidate for the United States Senate.

Yesterday afternoon, while the little  
son of Mr. William Dooley was playing  
on East Third street, a little Negro boy  
threw a rock at him, striking the little  
fellow over the right eye, and he came  
very near bleeding to death before a  
physician could be secured. The little  
Negro went out immediately on a sprint.

A BEAUTIFUL WEDDING.  
It Was Celebrated at St. Patrick's  
Church This Morning.

The marriage of Mr. Daniel Daly and  
Miss Margaret Fitzgerald occurred at St.  
Patrick's Catholic Church this morning  
at 7 o'clock.

Long before the hour set for the cere-  
mony the ushers, Messrs. Will K. Conley  
of Covington and Mr. Charles Daly,  
brother of the groom, were kept busy  
seating the large crowd, until there was  
not a nook in the large church that did  
not hold a human.

Promptly at the appointed hour the  
wedding party entered the church, and,  
to the march of Mendelssohn, rendered  
by Miss Josie Fitzgerald of Lexington, a  
cousin of the bride, they proceeded to  
the altar, where they were met by the  
Rev. Father A. T. Ennis, who pronounced  
them man and wife.

During the ceremony the organist ren-  
dered "Thine Own," which made it  
doubly impressive and beautiful.

The bride was dressed in a tailor suit  
of cream broadcloth, with hat to match,  
and carried in her hand a white prayer-  
book. She is the youngest daughter of  
Mr. and Mrs. William Fitzgerald of Lime-  
stone street.

The groom, formerly of this city, now  
of Canestee, N. Y., is the eldest son, and  
he is to be congratulated on his choice  
for a life partner.

The happy couple left on the 9:50 train  
for Cincinnati, where they will take the  
train for their home in Canestee, N. Y.,  
followed by the best wishes of all their  
friends.

**Masonic Notice.**  
By order General Committee, no chil-  
dren under 16 will be admitted to the  
Reception on Thursday night. Twenty-  
five hundred invitations have been issued,  
and if children were admitted the Ma-  
sonic Temple would be crowded to suffo-  
cation.  
It is further ordered that the Sir  
Knights must come in full Templar un-  
iform, consisting of coat, chapeau, belt—  
no swords.  
The Knights will comply with this  
order out of respect to the Most Eminent  
Grand Master and the visiting Command-  
eries and other Fraternities that will be  
present.

GABRIEL S. WALL,  
Chairman of Committee.

## THEY ARE HERE.

We Mean the Quartette Who Got  
Wood Bros. Hides.

Some time ago Wood Bros., the  
butchers, lost a large lot of hides from  
their slaughter-house on the Fleming  
pike.

Nothing was heard from them until a  
few days ago, when they got a clew, and  
Constables Dawson and Coughlin were  
put on the case.

Constable Coughlin arrested one of  
them on Wall street in this city several  
days ago, Constable Dawson got another  
at Cabin Creek, one at Dover and the last  
one at Ripley.

The fellow that was arrested at Ripley  
refused at first to come back without a  
requisition, but yesterday afternoon  
came up with the other fellow that was  
arrested at Dover.

Their names were Peter Clarke, Bill  
Raikie, Lewis Johnson and William  
Clarke, and they are now enjoying things  
down at Castle Johnson.

## A PAINFUL ACCIDENT.

A Laborer on the Abutment Has  
His Foot Mashed.

Yesterday afternoon about 4:30, while  
the workmen were engaged in unloading  
the heavy stone used in the abutments  
being built just East of the foot of Lime-  
stone street, one of the stones fell across  
another.

In getting it off, and in a position to  
enable the stone dressers easy access to,  
it slipped to one side a little too far.

An Italian laborer was using a crowbar  
close by, and the stone slipped on his  
foot.

The poor fellow stood there in that  
position for a few moments, when some  
of his fellow laborers went to his assist-  
ance and removed the stone from off his  
foot.

He was taken to the Grand View Hotel,  
where Dr. J. H. Samuel dressed the in-  
jured member.

It was found to be terribly bruised and  
very painful to the man, and it will cause  
him to be laid up for several days.

It is a wonder more of the workmen  
are not hurt, as they are extremely care-  
less in handling the heavy stone.

## Catarrah Cannot be Cured

with Local Applications, as they cannot reach  
the seat of the disease. Catarrah is a blood or  
constitutional disease, and in order to cure it  
you must take internal remedies. Hall's Cat-  
arrh Cure is taken internally, and acts di-  
rectly on the blood and mucous surfaces.  
Hall's Catarrah Cure is not a quack medicine.  
It was prescribed by one of the best physi-  
cians in this country for years, and is a regu-  
lar prescription. It is composed of the best  
tonics known, combined with the best blood  
purifiers, acting directly on the mucous sur-  
faces. The perfect combination of the two  
ingredients is what produces such wonderful  
results in curing Catarrah. Send for testimo-  
nials, free.

## PAINE'S CELERY COMPOUND.

ABSOLUTE CURE FOR THE WORST  
CASES OF RHEUMATISM.

The Plain Language of Mr. Oscar  
Pike—The Greatest of All Rem-  
edies Accomplished His Cure After  
Many Months of Weakness and  
Suffering—No Tedious Waiting For  
Improvement.

Paine's Celery Compound is the one  
known specific for the cure of rheuma-  
tism.

And it does not need a tedious trial to  
prove it.

The effect of this best of remedies is  
straightway felt.

Not a week goes by before the pains of  
rheumatism diminish.

Thousands of men and women have  
told of the days and nights of pain and  
feebleness exchanged in a few weeks for  
activity and strength.

Paine's Celery Compound has won the  
reputation of being the remedy "that  
makes people well." Its good works ex-  
tend from Oregon to Maine. In every  
state in the Union there has been piled  
up in the newspapers and medical  
journals a tremendous amount of in-  
disputable evidence of the curative power  
of Paine's Celery Compound over all  
forms of nervous debility and diseases of  
the blood. It cures after nature's plan,  
by affording nutrition for every part of  
the body, overhauling the worn-out  
tissues, and supplying new brain and  
nerve material, sending pure blood  
through the veins, invigorating the whole  
system and removing the cause of dis-  
ease.

Mr. Oscar Pike, a well known resident  
of Princeton, Maine, recently sent the  
following unsolicited letter to the pro-  
prietors of this wonderful remedy:

"Two years ago I was taken sick with  
what the doctors called the grip. I was  
improving when I took on a violent cold  
and chill. Then rheumatism set in, first  
in the joints of my shoulders, then down  
my hands and arms, then all over. Feet,  
hands and legs swelled. I could not put  
my hand to my head; could not throw  
the clothes off me; could not dress or un-  
dress myself, nor get out of my chair  
without help. For a year and a half I  
tried all kinds of medicines and sar-  
apillars, with little or no relief. I was 73  
years old. Some one told me to try  
Paine's Celery Compound. After I had  
taken three bottles I found a marked  
improvement. I have now taken twelve  
bottles, and the result is I eat and sleep  
well, do my own work, and go about as  
usual, getting in and out of my carriage  
without help. I have been tempted to  
put an article in the local paper for the  
benefit of those that are afflicted as I  
have been."

Mr. Pike is well known in this locality.  
He is the founder and President of the  
North Washington Agricultural Society  
and Trotting Association. When he  
goes for his mail, he says, people ask him  
what he has been doing that he is im-  
proving so of late, and he answers as do  
thousands of others throughout the  
country—  
"Paine's Celery Compound has made  
me well!"

cents. Over half ink paper. Call and
